

# BioD-Weedmat™

Coir natural weed control mat

Completely Wildlife Safe!

## Description

This is to certify that the BioD-Weedmat™ coir weed control mat is made of needle-punched mattress coir pad with light spray of natural latex on both sides. The 0.4-inch (10 mm) thick weed mats are available in individual mats as well as in rolls. Each weed mat has a 2 in in (5 cm) center cut and a split for easy application. The BioD-Weedmat™ is manufactured to conform to the following properties:
